2024 MMRA Club Points Race Series

Logistics

Feature Races: Line-up by race day order. National Anthem has flag driver randomly selected from a pool of all drivers or as determined by Event Chief. Feature class has track photos & driver introductions.

Schedule Exceptions:

Rain-outs/Cancellations: Race day will not be cancelled prior to the end of sign-ins unless by government mandate or due to hazardous conditions. Cancellation will be determined by the Board-of-Directors.

Any special features that are cancelled will be added to the next race day.

Cancellation Points: All sign-ins for any race classes that had not completed more than 50% of their feature race before cancellation will receive first place points if driver and car are present at time of cancellation.

Weather Delays: In the case of weather delay (i.e. rain, lightning, tornado warning, etc.) effort will be made to complete the day by abbreviated breaks or shortened races if necessary. Race day times or race format may be changed by the Event Chief at any time to attempt to complete the race day due to extraordinary conditions.

Fees:

Sign-ins: \$25 per driver for each class

Transponder Rental: \$5 per transponder, can be shared for the same driver. Trans X 160 transponders or equivalent are required.

Electrical Connection: \$10 per race day or \$50 for season. MMRA members get first selection, limited availability.

Parking: \$50 per season reserved parking available for MMRA members. No fee for non-reserved parking.

Assistance: All families (not all family members) must volunteer to work during the race day to receive points for the event. If all volunteer spots are filled for the event, your family will be signed up for the following event. Sign-up will be available during sign-ins and coordinated at the driver and handler meeting. Training for race day positions will be counted as volunteering.
